March 1, 2017

School Administrators and Faculty,

The NCRHA is hosting the National Collegiate Roller Hockey Championships on April 5-9, 2017 at the Fort Myers Skatium in Fort Myers, Florida. Games span from Wednesday morning at 7am to Sunday afternoon. Many teams are traveling on Tuesday, due to flight availability.

As a member of the NCRHA staff and former student athlete, I fully understand the importance of regular class attendance, especially for student athletes.

We ask for your understanding in allowing students to be excused from lecture/lab sessions during this week in order to be able to make the trip with the student organizations they have been dedicated to for the entire year.

Please do not hesitate to contact me if you have any questions or concerns.

Brennan Edwards

Executive Director

National Collegiate Roller Hockey Association
